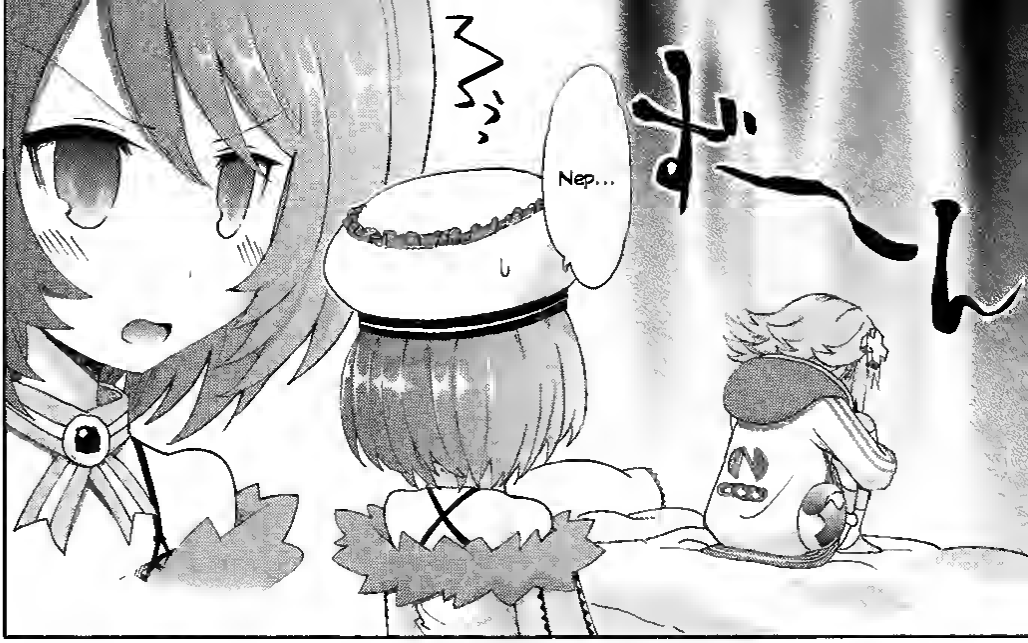
I'll buy you one tomorrow.
S-Sorry, Neptune.
My... My little potato...
ゴゴゴ

Hic...
Uu...
!
Hey!
Heeey, Neptune.
Where are you?
It's because she's a patient eater... She was gonna eat it eventually, though
Hrmm...
All that over a baked potato?
Huh?
Yeah!
Let's go after her!
I feel bad for her, Onee-chan!

Ah, Blanc!
Nep-gear!
What are you doing here in Lowee?
Thank you for taking care of Onee-chan.
Where is she right now? I have something urgent to tell her.
Well...
Thank you!
She just left in that direction...
Onee-chan, where's Neptune?
Um... I haven't found her yet.
I had no choice...
I don't want Nepgear to worry about Neptune...

Cheering up Neptune is such a pain...
Alright, let's go, Ram♡
Okay, Ram.
Listen, if things get bad between you,
You just gotta apologize!
Uh...
Eh.
How should I apologize?
Just be honest...
SO?
Oh
I guess I can do that much...
Ah!
So you were in here, Neptune!
It's easy!
Just bring her another snack!

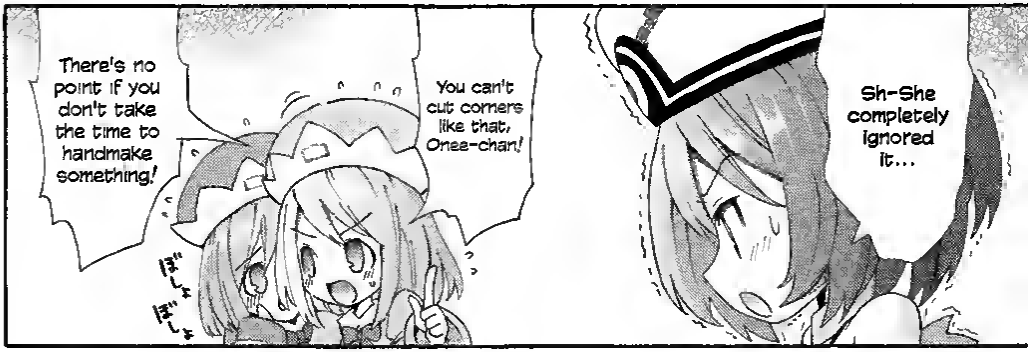


Nep...

I'm good right now...
You can just take those back...

I've got some more
Staaare

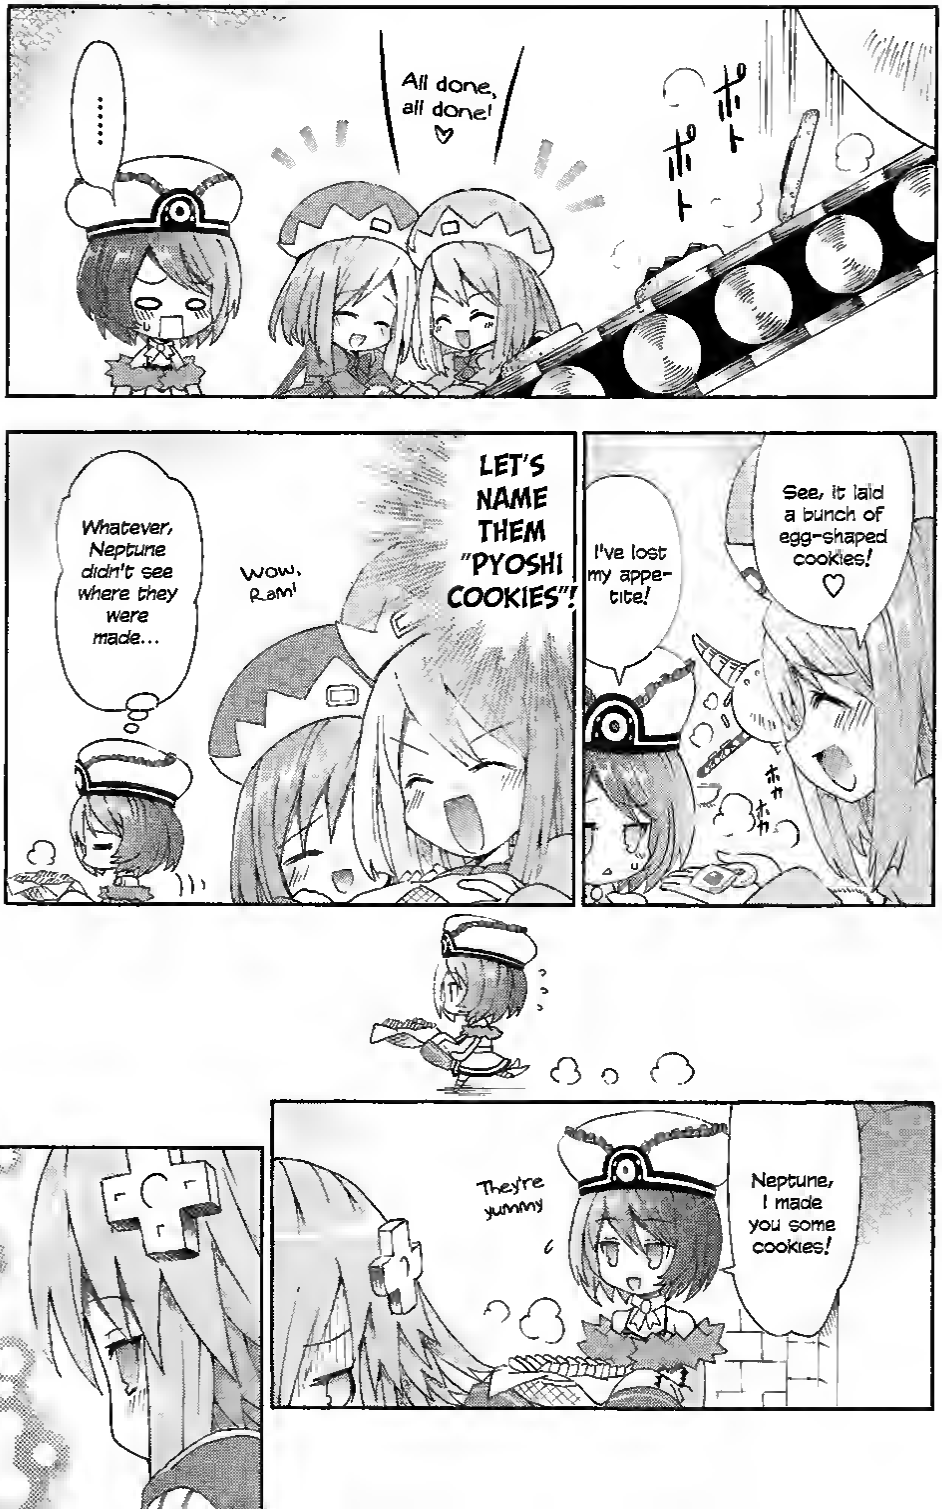
Um. Don't be so down, Neptune
You'll feel better if you eat this
It's still got potatoes



There's no point if you don't take the time to handmake something!
You can't cut corners like that, Onee-chan!
Sh-She completely ignored it...

I can't do handmade sweets...
Just leave that to us! ♡
THAT'S WHERE THIS COMES IN!
CHARACTER SUMMON DISC!
COME!
AUTO-MATIC-FOOD MAKER POKKIT MONSTER,
"PYOSHI"!

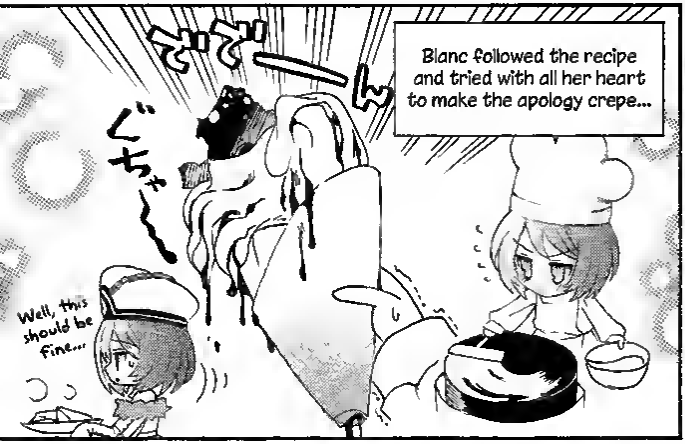
Go, Pyoshi!
Just watch!
...What does it do...
?
OUTTA THE WAY, FINANCIER!
Lessee, meat and...
Now then, time to prepare dinner.
Wh-What is this!?
Kyaaa



……
All done, all done!♡
ポト
ポト
See, it laid a bunch of egg-shaped cookies!♡
I've lost my appetite!
ポカ
LET'S NAME THEM "PYOSHI COOKIES"!
Wow, Ram!
Whatever, Neptune didn't see where they were made…
Neptune, I made you some cookies!
They're yummy

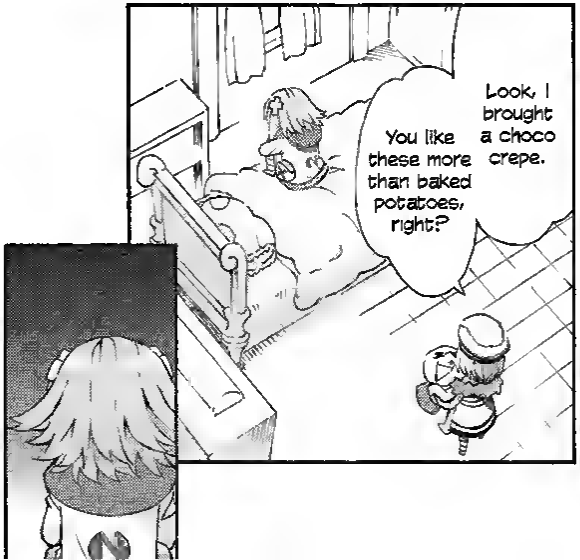
I got driven out.
It's no use.
Eh
Ah.
How'd it go, Onee-chan?
ふふふ
Now that you mention it, there was that time...
Hmm... I wonder what you should do. Is there anything Neptune likes?
Lookie, you've got cream on your face!
Don't touch me
This was before our strife with Arfoire...
Hey mister!
One choco banana crepe, please!
And you?
You hungry? I'll treat you to a crepe!
I guess there's that...
...Then
I'll have a cinnamon apple...

I'll make a choco banana crepe!
...Okay.



Blanc followed the recipe and tried with all her heart to make the apology crepe...
ぐちゃ～
Well, this should be fine...

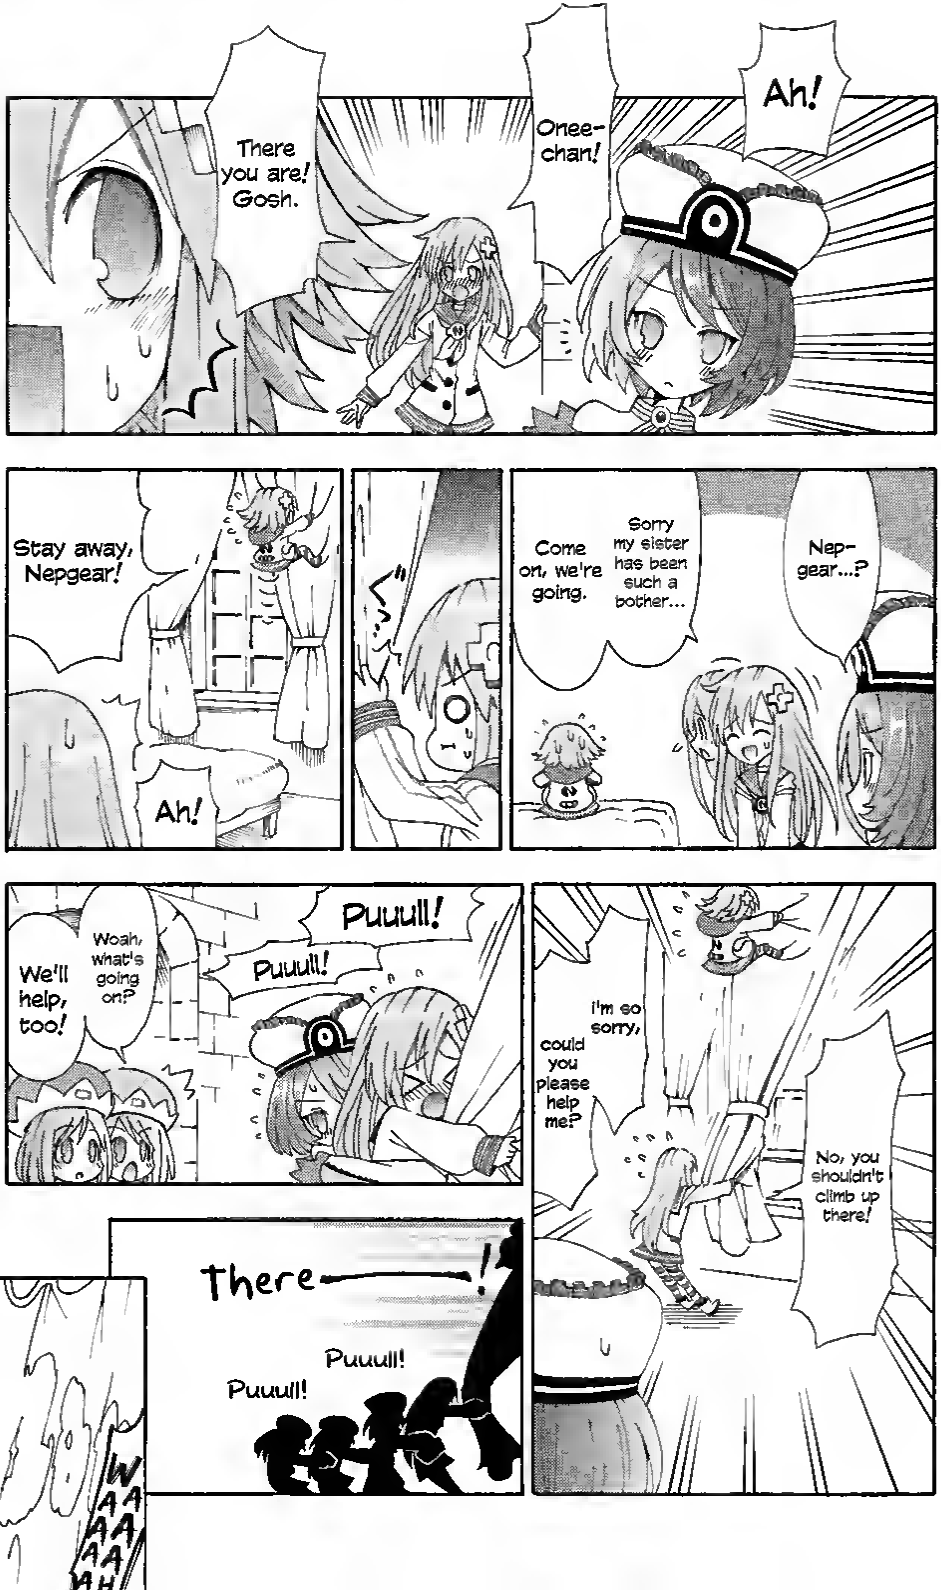
S-Something that difficult?
Onee-chan, you can't!



Look, I brought a choco crepe.
You like these more than baked potatoes, right?

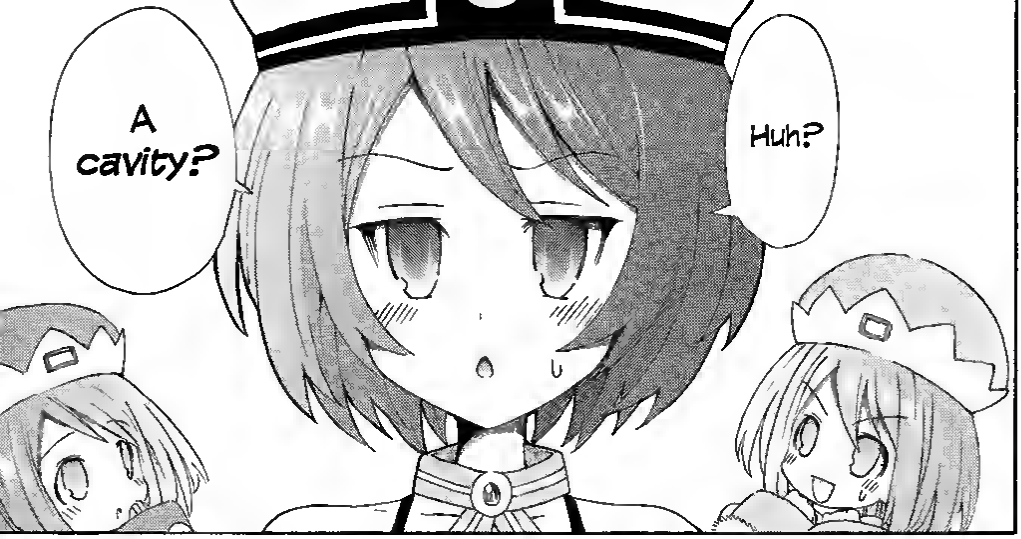
Nep-tune!

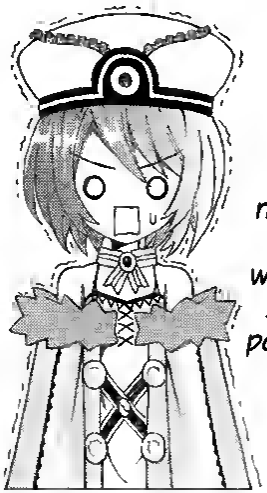
Sorry...
I don't wanna eat...
WHAT THE HELL! AFTER ALL I DID...
NEP-TUNE!
You ...
Sorry you couldn't eat your potato! That was my mis-take!
Tell me!
What do you want me to do!!
So I did a bunch of stuff to apologize! If you're just gonna pout about it, fine!
Pant
Pant



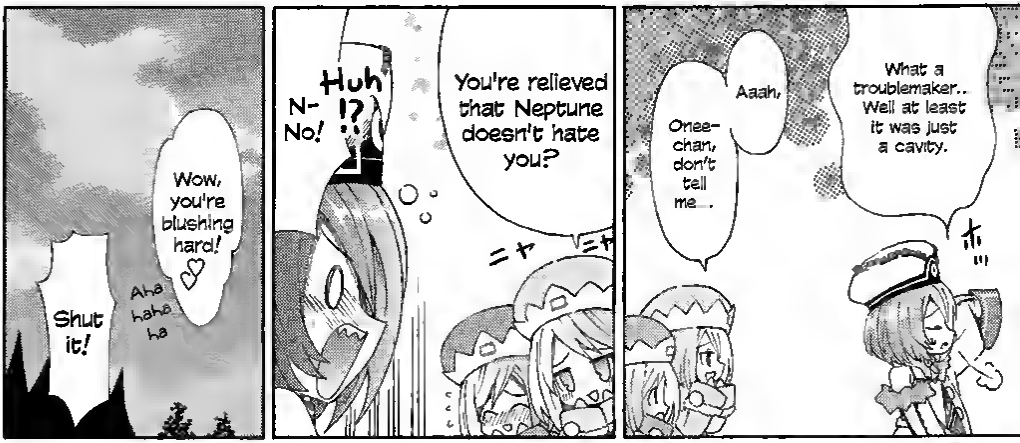
There you are! Gosh.
Onee-chan!
Ah!
Stay away, Nepgear!
Ah!
Come on, we're going.
Sorry my sister has been such a bother...
Nep-gear...?
We'll help, too!
Woah, what's going on?
Puuuu!
Puuuu!
No, you shouldn't climb up there!
I'm so sorry, could you please help me?
There—!
Puuuu!
Puuuu!
WAAAAAAAH

Owie...
Ah
GOT-CHA!
Waaah
Sorry for the ruckus, everyone.
Aaah, about that...
Er... Did something happen?
Wah





So... It had nothing to do with the baked potato...



And so, dear readers,
Be sure to take care of your cavities ahead of time♡(ˆ ▽ ˆ)
